Dear Parents and Carers,

On behalf of the Governing Body, I am writing to inform you of our successful recruitment of a parent governor.

Our new Parent Governor is Lisa Walker, a parent at Tibberton CE First School who is already regularly involved in school life as a volunteer since 2022 and also as a member of the Friends PTA.

In her personal statement for the post Mrs Walker would like to share the following:

'I currently have a child in Year 3 at Tibberton and have been involved as a volunteer at the school since 2022. I would welcome the opportunity to play a greater role as part of the school's governing body, bringing another 'parent' perspective to the current committee.

By day I am employed as an Associate at a large international law firm, managing a team of people and handling a litigated case load of disputed claims predominantly arising from road traffic incidents. My role involves communicating with other lawyers, insurer clients, their customers, opposing parties and the Court systems. During 2020-2021, I completed and achieved a Distinction grade in a CMI Management Diploma, Level 5 in Departmental and Operations Management. This course provided me with a greater understanding of people management, coaching skills and business project management. Outside of work I spend time with immediate and extended family and friends, supporting my daughter's hobbies and I enjoy outdoor exercise (all weathers!) and reading a mix of genres.

I hope that I would be able to bring my personal experiences from volunteering at Tibberton and those external to school activities to help the school in their quest for continuous improvement and enrichment of the children's and staffs school environment. I have a keen interest in helping children to find their personal way to love learning, creating a solid foundation for their future educational years. I also thoroughly enjoy helping children to feel accomplished in their achievements, whether they be traditionally academic, the arts or sports.'

I am sure that you will all agree that Mrs Walker will make a fantastic representative and addition to our governing body.

Yours sincerely,

Mr Gromski
