Dear Parents and Carers,

This month is National Walking Month and next week (20th to the 24th of May) is **Walk to School Week**, organised by Living Streets. <https://www.livingstreets.org.uk/walk-to-school/primary-schools/walk-to-school-week/>

This is a great opportunity to get out in our community and the Droitwich Youth Council, alongside our School Council, are pleased to invite your family to take part.

The Youth Council, comprised of students from local schools, has been actively engaged in supporting and promoting Walk to School Week in Droitwich and the surrounding areas. Follow the above link to find out more about the WOW Walk to School Challenge.

Can your family help make the journey to school safer, healthier, and more enjoyable? Tips include walking (or scooting or cycling) together with friends or family, considering parking further away from school, and sharing journeys if walking directly isn't feasible due to distance.

We would love it if you can email the office a picture of your family walking or taking part in Walk to School Week, so that we can share these with the Youth Council at our next meeting

By promoting active travel options such as walking, Living Streets aims to enhance the well-being of our children while also fostering a sense of community and reducing traffic congestion and pollution in our local area.

We thank you for your support in making Walk to School Week a resounding success throughout Droitwich and our neighbouring areas.

Yours sincerely,

Droitwich Youth Council
