

In Topic, we will be learning about our local area. As part of this topic we will be looking at aerial maps.

We will be spotting key features, creating our own maps and making our own keys. We will also be looking at human and physical features. This is an aerial map of Hindlip. Can you spot our school or your house?

## CHALLENGE:

Can you find your house on google maps?

In English we will be looking at different texts to do with food. Here are some which will support our learning in class.

## Healthy Humans

Human features-features that humans have made or influenced. (houses, Roads, parks etc)

Physical features-natural features of the earth. (trees, hills, rivers etc)

We will be learning about our teeth and what we need to do to keep them healthy.

In Science we are going to be learning about how to keep our bodies healthy.

## CHALLENGE:

Can you find out how many teeth a child should have and how many an adult should have? Is it the same?

Can you count your teeth? How many do you have?

Then

In History we will be looking at how Fernhill Heath has changed. We will also be looking at historic events in Worcester.

In DT we will be designing and making sandwiches. Could we use avocado as a sandwich filling?

### CHALLENGE:

Is an avocado a fruit or a vegetable?

What sandwich fillings would you have? Are there any that would make you big and strong?

### CHALLENGE:

What event do you think the picture above is showing? Do any members of your family know?

In Art we will be using the story book Window by Jeannie Baker as inspiration for our artwork.

Now

### Places to visit:

To learn about Worcester's history you can visit The Royal Porcelain Museum, The Cathedral and The Commandery where you can hear stories going back centuries.

### CHALLENGE:

What can you see from your window? Can you spot any human and physical features?
