

10<sup>th</sup> November 2022

Dear Parents,

Please find attached your raffle tickets for the Christmas raffle. This will be a significant source of our fundraising this year.

We have attached £10 worth of raffle tickets to this letter. Please don't feel obligated to buy them all, but it is a great way for parents, carers, grandparents, neighbours, friends and relatives to support the school if they wish. Last year's Christmas raffle was a resounding success; it allowed us to meet our target of helping the school purchase much needed IT equipment. We are hoping you can do the same again. We hope to raise funds to give the children some much needed experiences and trips next year.

If you wish to purchase tickets, please write your name and contact number across the back of the entire strip of the ticket you hand in and keep the other; one strip = one entry for £1. Should you require more tickets, please ask at reception.

Please return completed tickets, along with payment to the school post box. We will be posting pictures of the hampers on the Friends of Hindlip Facebook page and on the school newsletter.

If you have any further donations for the hampers please hand them to the office.

Please return all tickets to the school office by 2<sup>nd</sup> December. We will be making the draw at the Christmas Show on the 8<sup>th</sup> December. Good luck!

We thank you for your ongoing support.

Yours faithfully,

Friends of Hindlip
