Re: Parking

Dear Residents,

Please be aware that Hindlip CE First School were informed of the start of the building work behind the Memorial Hall with the loss of parking, with almost no notice. Since being notified we have done our very best, to work with all relevant parties, to come up with a solution to alleviate our deep concerns on the impact of this loss.

We are very aware of the impact that this project will have on the school, local residents and the wider community.

We have strongly encouraged parents to park with courtesy and to be mindful of the impact on our local residents at either end of the school day.

We would request that you approach the memorial hall and your locally elected representatives with your concerns about the impact the loss of parking is having on the local area.

We have contacted the police and highways with our concerns. We are not able to enforce parking in the local area, as a school. If people are parking illegally, please contact the police directly.

Regards

Mr Gromski

Executive Headteacher
