8.3.23

Dear Parents and Carers,

We have been updating our school website and would like to add a page promoting and celebrating our strengths as a school. We would like this information to come from our families.

To do this well *we need your help.*

We always appreciate your views on school so want to collect your thoughts on what makes our school great. What does your family value the most? Your contributions will be put together to be published on our website.

So...

- What is it that you and your family really value about our school?
- What do you judge our strengths to be?
- What do you think we do well for the children in our care?

Please record your family's contribution on the slip below attached and return to school.

Thank you so much,

Mr Gromski and the Team
