14th July 2023

Dear Parents

Year One pupils September 2023 will all be taking part in the national phonics screening check later in the Summer Term. We will be run a phonics workshop shortly to give you all of the information you need.

As an extra boost, we will be running a phonics club for all Year One pupils. This will take place on Monday mornings starting from 11th September. The start time will be 8:05 and last 40 minutes. Pupils will then go straight into registration at 8:45am at the end of the club.

Children must attend the whole session to participate, so that the lesson isn't disturbed by children coming in and out at different times. Activities will include singing phonics songs, making phonemes/graphemes with Playdoh, watching phonics videos and playing phonics games to name but a few. It will be a fun active learning session all focused around synthetic phonics.

Where possible, I strongly encourage you to take this offer up as it not only will it give your child an extra reinforcement of a key part of their curriculum, it will be valuable preparation for the national test, but it also promises to be a fun and engaging club. There will be no cost to this club and it will be run by a specialist teaching assistant.

Please complete and return the permission slip below if you wish your child to take part.

Kind regards

Mr Uren
 Head of School

Blue Class Phonics Club starting Monday 11th September 2023

I would like my child..... to take part in the Monday morning Phonics Club starting 11th September 8.05am - 8.45am.

Signed
