

ORANGE CLASS RAINFOREST ROADSHOW -

FRIDAY 25th SEPTEMBER

Our topic in Orange Class this term is **Rainforests**. The children will be learning all about where the rainforests are in the world and the plants and animals that live there.

As part of the topic, we have an amazing opportunity to have a workshop in school from Dave Shaw Rainforest Roadshow. Dave has travelled frequently to South and Central America, as well as Malaysia, Borneo, Irian, Jaya and Madagascar and now provides inspiring hands-on workshops based on his experiences. These include learning about the way of life of the indigenous people, the diverse wildlife of the tropics and the tribal communities around the world. The children will have an invaluable inspiring experience that will allow them to appreciate forest life and have an opportunity to meet and handle some of the animals that live in the rainforest and take part in many different hands-on activities, really bringing the topic to life.

Due to the increasing cost of going out on a trip, we have arranged for the workshop to be held in school on Friday 25th September as a 'Wow introduction' to our new topic.

The cost for this workshop will be £15.00 per child. We know that the children will have a fantastic day and we are really looking forward to this inspiring workshop! However, due to our limited budgets, if we do not receive enough contributions, the workshop may not be able to go ahead. Please speak to either myself or Mr Uren if you have any queries or problems regarding payment.

Kind regards,

Mrs Herbert
Class Teacher

Name _____

Class: Orange

I am happy for my child to participate in the Rainforest Roadshow on Friday 25th September 2023. I have paid a voluntary contribution of £15.00 to via Payment4school to cover the cost of this event. My receipt number is.....
